**VOTE!**

**Tuesday - November 2, 2021**

Dear Brothers and Sisters:

The General election is on **Tuesday, November 2, 2021**. In this election, it is important that all of our members and their families of voting age participate as citizens and as Union members. Indeed, our belief in participating in all government elections and exercising our democratic right is one of the strongest commitments we have as members of the labor movement.

The vote of every single member counts. The power is in each of our hands. I am urging you to please participate on November 2<sup>nd</sup> and help elect the following candidates who will support the best interests and economic prosperity of Steamfitters Local 420 and its members.

Fraternally yours,

James Snell  
COPE Chairman
